## Invitation Letter

Dear Sir/Madam,

The 3rd International Academic Conference on Optics and Photonics (IACOP2025) will be held during October 31 to November 2, 2025 in Nanchang, China. On behalf of the Organizing Committee, we warmly welcome you to join in IACOP2025.

IACOP2025 is organized by the School of Information Engineering, Nanchang University, China and the School of Physics, Hefei University of Technology, China, co-organized by Jiangxi Provincial Key Laboratory of Advanced Signal Processing and Intelligent Communication, Jiangxi Provincial Engineering Research Center for Intelligent Medical Information Detection and Internet of Things, Electronic Information Professional Committee of Jiangxi High-level Talent Association.

IACOP aims to bring together international experts, scholars and industry elite, to build a platform marked by diversity, openness and innovation, and to promote innovation and industrial application in the fields of optics and photonics. That is, Use Photonics, Connect the World.

IACOP official website: <http://www.iacop.cn/>

Thank you sincerely for your support to IACOP conferences!

Best Regards,

Organizing Committee of IACOP2025
